

JB & LINDA GODFREY

VICE PRESIDENT AND EXECUTIVE DIRECTOR

BIMI

November – December 2025

Dear Friends,

We have driven and flown thousands of miles this year. Linda and I thank the Lord for giving us health and strength to represent Him around the country and the world. My schedule for next year looks a little scary. November and December are different, however, because I am involved in so many things at BIMi as we prepare for and have our December Board of Trustees' Meeting and Candidate School. Thirteen new missionaries were approved and accepted, and these young people are answers to our prayers for more laborers in God's harvest fields. They are a sharp and godly group.

A good bit of time was given these past few months in preparing the budget for next year. It is a challenge to cover the costs of paying the postage, printing, maintenance, and other expenses, including insurance here at the World Missions Center. We want to serve the missionaries and the churches who send them in the best way possible. Our missionaries receive their funds at the end of each month. We prepare hundreds of tax returns, pay bills for many, and handle lots of mail, etc. BIMi has a fine and faithful staff who help us accomplish all of this, and we appreciate them so much!

Thank you for helping us serve the Lord. It is the greatest joy of our lives. May the Lord bless you during this wonderful holiday season.

Sincerely,

JB & Linda Godfrey
