SERVING IN SOUTH AFRICA

APRIL 2026

Dear Praying Friends,

Thank you for your prayers! It has been a good month.

Church

We hosted our first Easter sunrise service at the beach, followed by breakfast and our main service. We have had several visitors this past month who have returned multiple times!

Wayway has moved back! Please pray that she can find a job and a place to live soon.

One of the girls I recently started meeting with brought her friend to church a few times. I was able to meet with both of them. The friend asked if her younger sister could join us the second time we met. After hearing the gospel for the second time, they said everyone needs to hear about this! However, when it came to their personal decision, they were not ready to be saved. Please pray for their salvation.

School

Teaching middle school is a new adventure every day. Having the students work in groups definitely allows for some entertaining discussions. We are studying through the book of Proverbs this year, and it has led to some very practical class discussions.
