SERVING IN SOUTH AFRICA

JULY 2026

Dear Praying Friends,

We had a wonderful Vacation Bible School during our winter break! We finished the week with 88 children in attendance, and it was a blessing to see **several visitors return** for our Sunday service. We were especially thankful for the many volunteers who helped throughout the week. It was encouraging to watch so many people get involved in serving. We have now returned to school for our third semester. Please pray that our students **will remain healthy** through the rest of the year, as several different illnesses have been making their way through the school. Last month, we also had several reptiles visit the school. The students had a great time holding them and watching each other's reactions—especially those who preferred to keep their distance!

Esihle was baptized recently. She has grown tremendously in her walk with the Lord over the past several months. She has been writing Bible lessons and finding people to teach, which has been such an encouragement!

I am excited to **return to the States** during the month of December, primarily to spend time with family. **During the first part of the month, I will also be available to visit churches.** If your church would be interested in having me share an update on what God is doing here, I would love the opportunity to meet with you.
