SERVING IN SOUTH AFRICA

JUNE 2026

Dear Praying Friends,

June has been a full and exciting month, and I am so grateful for your continued prayers!

We began with a ladies' conference that went well despite having to relocate due to flooding. **We had a great time of teaching and prayer, and I was encouraged that two of the ladies I have discipled were able to attend.**

We also had our annual **Bay Baptist Academy Camp**, with a wonderful team from Oakwood Baptist Church who served alongside us and were a great blessing to the whole ministry during their time here. We have now started our long winter school break.

We are halfway through the school year!

For Father's Day, we enjoyed a **potjie competition**, which is a common way to cook stew over an open fire, and fellowship. My team, the four of us pictured on the left, won! **We also had several visitors.**

We praise the Lord for Jayron, who made a profession of faith this month. Please continue praying for her and her family as she grows. She is pictured in the front seat with me.

We are currently praying and trusting the Lord to **provide the funds** for our high school building project and a new church transport.

I am also excited to **return to the States** during the month of December, primarily to visit family. I will be open to traveling to churches during the first part of the month. If you would like to have a meeting, I would love to give an update!
