## SERVING IN SOUTH AFRICA

FEBRUARY 2026

### Dear Praying Friends,

February flew by this month! Thank you for your prayers. We are getting into a good routine with school, and events are picking back up with church and fellowships.

### Church

We were able to host an evangelistic outreach at our house this month. One of the ladies from Grace Baptist Church had the idea to invite an unsaved friend for dinner and games and to hear a clear presentation of the gospel from my friend Kim. **I was able to have good follow-up conversations about the gospel with some ladies afterwards and meet several new ladies.**

Wayway has been able to visit some, but she is still looking for a job. I started meeting with Kaylin on Mondays. **She said she has questions about salvation and baptism.** We have met a couple of times, and she is very open to the gospel and learning more about how to study God's Word. Please pray for her that she would fully understand the gospel.

**We have started Friday night youth services,** and they have been a blessing to see many young people come to hear God's Word. Once a month, we have a combined youth service with Grace Baptist Church, and the auditorium is packed. Please pray that we would see souls saved from these outreaches.

### School

We are two weeks away from our fall break! We had our first field trip to the Volkswagen Museum. It was a fun day together.
