## Missionary to Bolivia

Updating a Supporting Church in Florida.

Merry Christmas!

Abide Conference 2026

Dear Pastors, Partners, and Praying Friends,

December 2025

### NOVEMBER IN REVIEW:

November was another wonderful month on furlough! I was able to travel to several churches in North Carolina and Florida. I made many new connections and enjoyed great fellowship with people as I shared about the need in Bolivia.

Before Thanksgiving, I had the opportunity to be at Vision Baptist Missions and the Vision School of Missions for their Preview Day—a day when young people interested in missions can visit the school and see if it might be their next step. We had a great turnout with multiple visitors who expressed interest. **Would you pray for these young people, that they would follow God's will for their lives?**

Looking ahead to December, I am excited to speak at a Ladies Christmas Dinner at a church in Tennessee on “The Precious Gifts God Gives to Us”—not just for Christmas but throughout the year. I will also be visiting a church in North Carolina to teach during their Wednesday night children’s class. **Please pray for me as I prepare for these teaching and speaking opportunities, that God would speak through me.**

### MERRY CHRISTMAS!

As we enter the last month of the year, I love to look back and see how God has worked. This year has been a whirlwind—from beginning in Bolivia and continuing the ministry there, to transitioning back to the US for furlough. However, through it all, God has been faithful, connecting me with the perfect churches to visit and protecting me as I travel. As we celebrate the end of another year, **I pray you will have a wonderful Christmas with your families!**

### ABIDE CONFERENCE

I also want to invite all ladies to join us on February 7, 2026, for the Abide Conference at Vision Baptist Missions. It will be a refreshing time of fellowship and encouragement centered on God’s Word. To learn more or to register, please visit [visionmissions.com/abide](http://visionmissions.com/abide).
