Dear Pastor, Partners, and Praying friends,

We are heading back to Nicaragua on the 6th of August. We have traveled a lot the last few weeks visiting some supporting churches and traveling to Maryland to visit a new church. We had a great time visiting with some good friends as well. Pastor Tom Tanis and his wife Rita were members of our church in Fort Pierce. We licensed him to preach at Riverview Baptist many years ago. Today he is pastoring in a town called Accident, Maryland. I believe God is going to bless their work in Maryland. The church seems to love them and I believe God is doing a work there. While in the area we spent a day and night with Jan's daughter Brittany and husband Devin and grandson Corbin. Devin is in the APastor ir Force and is stationed in the D.C. area. Corbin is 6 years old and he called us Sunday morning to tell us he just received Christ as his Savior. That made our day.

Through the help of a special gift we were able to build another church building in the mountain city of Jinotega. We were also able to do some much needed work on Pastor Hector's home. Pastor Hector is our lead pastor and lives in a house on the mission property. It is a house we inherited with the property and was in need of some major repair.

We have a 1999 Ford ranger in Nicaragua that is about to give up the ghost. It has had a rough life. This is a truck we have used to transport people to church, as well as many things we need a truck for. It is time to send it to its final resting place. The cost of a decent replacement truck, in good shape, will be in the neighborhood of 12 to 15,000 dollars. If you can help us with this need please send gifts to the support address below and write 'Truck account' on the check. We also receive gifts via Zelle.

Thank you for all you do for our ministry and for missions around the world.
